***Note:** Many four-year degrees require either a second- or fourth-semester level proficiency of a second language. To determine second language requirements for your intended transfer degree, check the university catalog, visit the [Yavapai College Anthropology Major Guide](#) at AZTransfer, and/or meet with an Academic Advisor.

This recommended sequence is not a binding agreement of any kind between Yavapai College and the student, but merely represents a potential curriculum which may be altered as appropriate to meet the student's academic objectives. Course availability is subject to change and all courses are not available every semester. Students should inquire each semester with their Advisor before registering to determine current requirements and possible changes to the suggested curriculum.
