

Early Childhood Education Basic Certificate

12 CREDITS

Description: This flowchart is designed to review certificates embedded in degrees, and to quickly identify course prerequisites to assist in planning which courses should be taken first. The red arrows → indicate when a class is a prerequisite for another class.

Instructions: This flowchart uses a bottom-up approach. Begin on Line 1 at the bottom of the chart. The General Education requirements are grouped together on the right of the chart, and the program requirements are to the left of the General Educations requirements. The courses can be taken in any order, but it is recommended that you take all of the courses on line 1, then all of the courses on line 2, and so forth if you know your goal is to achieve the Associates degree. You could also begin with the courses in the embedded certificates, and then work on the other requirements after you have achieved the certificate(s). Click the buttons below to view how the certificates are embedded in the Associates degree.

All of these courses are needed for an AAS Early Childhood Education degree

Complete these Courses for an Early Childhood Education Advanced Certificate

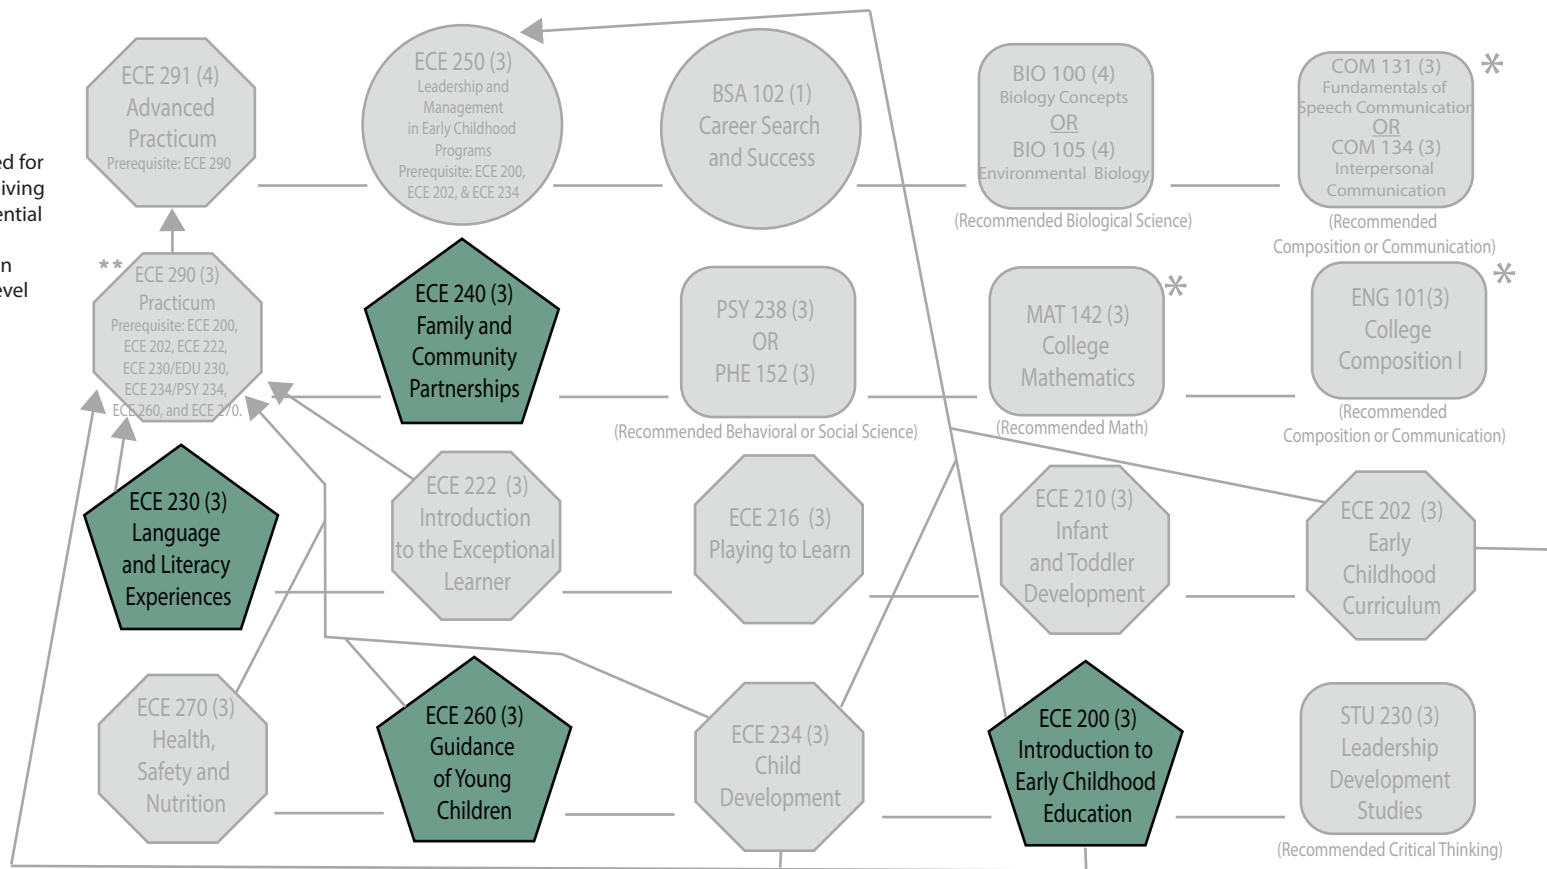

Complete these Courses for an Early Childhood Education Basic Certificate

KEY

↑ Classes are pre-requisites

* Reading or Math Assessment Scores Required

4
Note: ECE 190 is required for those interested in receiving the CDA National Credential through the Council of Professional Recognition (required for all entry-level Head Start employees).

****ECE 290 Note:** Students must apply for practicum placement during the semester prior to enrolling in ECE 290 and must have completed ECE 200, ECE 202, ECE 222, ECE 230, ECE 234 and ECE 270. Evidence of completed application for fingerprint clearance and completed CPR and First Aid training will be required as part of a completed application.
